

promptly contact debtors who are delinquent on debt settlement payments and find out their reasons for not making payments when due, and their plans for completing their agreements. In instances in which the debtor is delinquent under the terms of the debt settlement and is likely to be financially unable to meet the terms of the debt settlement agreement, FmHA or its successor agency under Public Law 103-354 may cancel the existing agreement and process a different type of settlement more consistent with the debtor's repayment ability, provided the facts in the case justify such action. This settlement will be processed in accordance with the procedure for the new agreement. An extension may be given by FmHA or its successor agency under Public Law 103-354 to extend for 90 days the time for making the payments when the circumstances of the case justify an extension. Extensions for a greater period of time may be made by the State Director upon recommendation of the County Committee (for FP loans) and the employee in charge of the account. A decision not to extend the time for making payments is not appealable. When an adjustment agreement is cancelled, the debtor will be notified of the reasons in writing. The cancellation of an adjustment offer is appealable. If an agreement is cancelled, any payments received shall be retained as payments on the debt owed at the time of the adjustment offer.
